BOOKING INFORMATION

This menu is for pay on-site events. The menu will be available to your guests to purchase as a meal option or a la carte. Based on guest order requests, we may run out of certain menu items.

- The food truck service window is 2 hours unless pre-arranged.
- If you would like the truck to sell for more than 2 hours, additional labor may be required.
- We are able to service 60 guests per hour. If your timeline and event requires a faster service, additional labor will be required and certain guest counts may not be accommodated.
- 4 hours is the maximum length of time that the food truck can be open without prior arrangement.
- Guest counts above 250 will require a limited menu to ensure adequate service.
- We may run out of certain menu items before the event end time based on popularity.
- The pricing listed here includes the 9.25% TN State Tax.
- Menus and guest count must be finalized 7 days in advance of your event. If you do not submit a guest count, the original count will be honored and charged to the client.
